FPC Welcome Space

"There are no strangers here; Only friends that haven't yet met"

FPC Welcome Space began in December 2022 as a warm space, a free facility for residents, organised by your Parish Council and supported by the Church, the Church Centre, and Huntingdonshire District Council.

After the success of the winter months and through requests from residents, your Parish Council decided to continue the facility as a Community Hub.

FPC Welcome Space is a FREE FACILITY and is funded by your Parish Council, voluntary donations, external grants, and is run entirely by volunteers.

FPC Welcome Space is open:

Monday 9:30am. to 12 noon.
Tuesday 9:15am. to 11:45am.
Tuesday 2pm. to 4pm.

Free Drinks & Snacks and Free Wi-fi always available.
